*Required for September 2010*

The Grey Coat Hospital is seeking to recruit an enthusiastic, innovative and highly motivated 2<sup>nd</sup>/IC of Physical Education to join a fast moving and supportive department.

The school is situated in the heart of central London close to excellent transport links. We are a heavily oversubscribed Church of England multi-ethnic comprehensive school for girls with A\*-C GCSE results regularly reaching 90% plus (85% including English and Mathematics). We also have a large sixth form of nearly 300 students where students also achieve outstanding results. Last year value-added analysis put us in the top 25% of schools in the country.

In March 2009 we were identified as an '**outstanding school**' by Ofsted, the highest possible grade. We are very proud that they recognised the ethos of continual self-improvement which characterises every aspect of the school.

Applications are invited from experienced P.E. teachers to join one of the most successful departments in the school. P.E. is a very popular option at GCSE and there is also a very successful BTEC National Certificate course in the sixth form. The department has outstanding exam results: 100% A\* - C in GCSE PE. and 100% A – B in BTEC National Certificate.

The department is seeking for a candidate with excellent games knowledge and the ability to teach gymnastics, trampolining or aerobics. Candidate must also have at least 2 years experience teaching GCSE P.E. and excellent ICT skills.
