

## **OFSTED March 2009: This is an OUTSTANDING school**

### **Head of Psychology and Sociology CPS + TLR2B**

Required for September 2012

The Grey Coat Hospital is seeking to recruit a dynamic teacher to lead this strong and successful Key Stage 5 department.

The school is situated in the heart of central London close to excellent transport links. We are a heavily oversubscribed Church of England multi-ethnic comprehensive school for girls with excellent GCSE results (86% 5+ A\*-C including English and Mathematics in 2011.) We also have a large sixth form of nearly 300 students where students also achieve outstanding results with a percentage of top grades well above the national average.

The School was judged to be ‘**outstanding**’ by OFSTED in March 2009 **and** November 2005. We are proud of our ethos of continual self-improvement, which characterises every aspect of our rich and culturally diverse school. In March 2008 the school was designated a High Performing Specialist School and our Training School initiative was launched in September 2008, building on the passion for teaching and learning which motivates both staff and students.

The successful applicant will:

- be an outstanding, inspiring and creative teacher
- have leadership experience and a proven track record of improvement
- be able to lead, manage and further develop teachers delivering the subjects, students and the curriculum
- be able to ensure continued success at Key Stage 5

As an Investor in People, the school has an excellent programme of support for all new staff and is committed to professional development (We were awarded the Gold CPD Mark in July 2010). We actively encourage teachers to explore innovative approaches to teaching and learning.
