A letter will be given to students on Monday 6th September outlining the arrangements for the day which is likely to be a day trip to Cambridge. **If students have not returned the permission slip for school journeys (enclosed in pack) then they will not be able to attend.**

Thursday 9th September – 10:00am – 3:00pm — Circus activities

Students will take part in a workshop all day in St. Michael's sports hall run by the highly reputable Circus company – 'Albert & Friends'.

Friday 10th September – Consortium enrolment/collection of timetables

Monday 13th September – **periods 1 & 2**

All students will attend school periods 1 & 2 as part of the normal pastoral programme. Students will meet with their tutor group period 2; this will give students the opportunity to discuss the Sixth Form with Year 13 students.

Period 3 – Lessons begin for all students.

We realise there is a lot of information to take in; however, the Sixth Form is very different, exciting and innovative part of school: our aim is to ensure that every student makes a successful transition into post-compulsory education. We hope all students continue to enjoy learning and acquiring new knowledge and skills. At the same time, we will encourage all students to develop their personal qualities in terms of community spirit, working with others, and being supportive to others.
