

THE GREY COAT HOSPITAL SCHOOL  
A Specialist Languages College & Training School  
Greycoat Place, London SW1P 2DY

## **OFSTED March 2009: This is an OUTSTANDING school**

### **Head of Learning Support (SENCO) TLR1b Required for September 2010**

Do you have ideas and commitment?

Would you relish the opportunity to further develop a flourishing Learning Support Department

Do you have SEN qualifications or experience?

The Grey Coat Hospital is seeking to recruit an enthusiastic, innovative and highly motivated teacher to lead the SEN department.

The school is situated in the heart of central London close to excellent transport links. We are a heavily oversubscribed Church of England multi-ethnic comprehensive school for girls with A\*-C GCSE results regularly reaching 90% plus (85% including English and Mathematics). We also have a large sixth form of nearly 300 students where students also achieve outstanding results. Last year value-added analysis put us in the top 25% of schools in the country.

In March 2009 we were identified for the second time running as an **‘outstanding school’** by Ofsted, the highest possible grade. We are very proud that Ofsted recognised the ethos of continual self-improvement, which characterises every aspect of the school. *“The excellent support for students with learning difficulties and/or disabilities helps them to make outstanding progress.”*

The successful candidate will be leading an expanding department which covers both SEN and EMA, will be responsible for 20 LSAs and must be prepared to offer INSET to staff. We would also expect candidates to be able to carry out formal assessments to meet the needs of pupils with SEN, or be prepared to undertake training for a specialist teacher qualification.
