Unless otherwise stated below, each piece of homework set should take 30 minutes.

Maths homework: please allow up to one hour.

Science homework: please allow up to 45 minutes.

RS homework: please allow 45 minutes.

Art homework: please allow one hour.

If the homework is set over a weekend, it may then be extended from 30 minutes to one hour.

Please note: students are expected to take 6 hours to prepare for each Modern Foreign Language controlled assessment task and this will be set as homework over two weeks at the relevant times in the year. The expected preparation time is set by the examination board.
