The Grey Coat Hospital

Key Stage Four Curriculum Plan - *Subject: OCR Level 1/2 Cambridge National - Child Development*

R057 - Unit R057: Health and well-being for child development - This is the theory exam for the Child Development course. It is worth 40% of the overall grade. This half term we start preparation for the theory exam, before the new assignment is released for R059 in HT6. We cover parts of these topic areas:

R057 - Topic Area 1: Pre-conception health and reproduction and **Topic Area 2:** Antenatal care and preparation for birth. *This content is delivered in partnership with the school nursing service and a visiting Midwife.*

Year 10

Half Term (HT)

Topic Area / Focus

HT6

New assignment for R059 launches on 1st June each academic year.

R059 – Task 1 – this covers the following topic areas:

Topic Area 1: Physical, intellectual and social developmental norms from one to five years

Topic Area 2: Stages and types of play and how play benefits development

Topic Area 3: Observe the development of a child aged one to five years

This half term also includes a visit to a nursery/childcare setting in order to carry out the observation task of the child (Task 1)
