

The Grey Coat Hospital

Key Stage Five Curriculum Plan - *Subject: Biology*

Year 12

Half Term (HT)	Topic Area / Focus
HT1	Biological Molecules Enzymes Cells
HT2	Membranes Nucleic Acids Cell Cycle Exchange
HT3	Transport in animals Communicable Diseases
HT4	Transport in plants Biodiversity Classification
HT5	Statistics Evolution Ecosystems
HT6	Revision Exams Consolidation

Year 13

Half Term (HT)	Topic Area / Focus
HT1	Photosynthesis and respiration Homeostasis
HT2	Inheritance Plant and animal responses
HT3	Cellular control Manipulating genomes Muscles
HT4	Cloning and biotechnology Revision

The Grey Coat Hospital

Key Stage Four Curriculum Plan - *Subject: Biology*

HT5	Revision
HT6	No further lessons take place
