Your daughter must bring a pencil and eraser with her (pens are not allowed).

If your daughter is unable to sit the banding test on this date, we will accept a copy of her most recent school report via email. This information will advise us of your daughter's ability and will allow us to allocate her to her appropriate band (1, 2 or 3). Please know that students who choose this method are not at a disadvantage compared to those who sit the test.

The deadline for submitting school reports for banding is Thursday the 3rd of December 2026. Reports must only be sent to lower-admissions@gch.org.uk.

Please be reminded that students who are unbanded (applicants who do not sit the test or do not submit a school report) will not be considered for a place in March, 2027.
